

MOTHER EARTH STRIKES BACK

THE MUSICAL

Earth is suffering under human bad behaviour that's causing climate change. It makes 'Mother Earth' very angry. Two humans, 'Jason' and 'Aphie' have to solve a riddle to save the Earth.

Jason Fernandez - Composer - Music Technologist

SELECTED CREDITS

Daytime Emmy 2019 – Beat Bugs (won – contributor)

Daytime Emmy 2018 – Beat Bugs (nominated)

MPSE Golden Reel 2015 – Deepsea Challenge 3D (nominated)

Jason Fernandez is a modern electro-acoustic composer. A uniquely skilled music technologist, he collaborates with creative teams to develop distinctive, story driven music – composing scores in a collage of styles and warping instruments into new sonic shapes.

Jason has more than 15 years' experience performing varied roles as a composer, score producer and music editor with many of Australia's finest directors including George Miller, Zack Snyder, Baz Luhrmann, Kriv Stenders, Kimble Rendall, Gregor Jordan, Russell Crowe, Josh Wakely and many others. Jason's musical techniques helped win an Emmy in 2019, with the dramatic editing of The Beatles' songs for the hit show Beat Bugs on Netflix.
